The Weather.

FOR KENTUCKY—Saturday fair
and colder.

Have you told the census man your
age yet?

Col. Roosevelt has moved into Paris
and is scoring additional triumphs.

It is better to go through the
comet's tail than to have the comet
go through you.

Rev. George Chalmers Richmond,
a noted Presbyterian minister of
Philadelphia, advocates Sunday
baseball as an "inocent recreation."

The Frankfort grand jury report
ed that it found no evidences of
bribery of members of the legis-
lature.

Tom Teggart will go before the
approaching Democratic convention
in Indiana as a candidate for Sena-
tor against Senator Beveridge. The
convention will make a nomination.

Halley's comet has already claimed
one victim. At Evansville Mrs.
Josephine Osburn, aged 86, who
saw it when it was here in 1835,
dropped dead while talking about it.

Nearly everybody in or out of
Tennessee seems to agree that Pat-
erson needs beating but nobody has
been found to "bell the cat." He
will have no opposition in his machine
primary June 4.

A special session of the legisla-
ture will find several prominent members
of the House have disqualified them-
selves for further services by mov-
ing or accepting other offices. There
would be a number of vacancies to
be filled.

The Cadiz Record says Christian
county is one of the best counties in
Kentucky and ought to have the best
high school building in the State.
All of which is true, Henry, but why
don't you come to Hopkinsville and
perhaps some day you might be a
patron of the new high school.

Toy aeroplanes have reached
Louisville from France that can be
made to fly like the Wright, Farman
and Bleriot models, anchored to a
kite string. They sell at prices
ranging from \$1.75 to \$18 for the
big ones two feet across that will
carry up a cat.

The following Republican monop-
oly exponents are going to retire for
one reason or another. The acro-
stic made by their names explains the
reason why:

Hale
Aldrich
Cannon
Knox

Just as the county is getting ex-
cited over a report that William
Alsomarolph Hearst would quit run-
ning on an independent ticket in New
York and return to the Democratic
party, Hearst himself comes out
with the announcement that he en-
dorses Taft's administration, a thing
that about half the Republicans
will not do at the polls this fall.

The big advertising edition of the
Earlington Bee last week was one of
the handsomest and most creditable
papers ever gotten out in Western
Kentucky. The business men of
Hopkins county ought to be proud
of the Bee as an exponent of its pro-
gress and the whole newspaper fran-
ternity is proud of Paul Moore as
one of the press boys who never fails
to make good.

Tobacco News.

Up to noon yesterday more than
two hundred thousand pounds of
tobacco had been sold on the loose
floor and the total loose sales for the
week will probably amount to 300-
000 pounds. Prices ranged from
\$6.50 to \$11.75. No fine leaf was
offered. Loose receipts are falling
off now with each day, as most of
the tobacco has been delivered. The
market is firm and prices realized
are satisfactory all along the line.

The hoghead market is quiet, but
some was disposed of this week at
good prices. Quotations remain
about the same as those published
last week and the week before.

FAIRVIEW LETTER

Tea Rose, Correspondent

As we have not seen anything in
the Kentuckian from Fairview for
some time I will try to write a few
items, though news is very scarce in
this section. The farmers have been
very busy for some time doing the
necessary work on their farms.

It is thought that the cold snap we
have had this week will injure the
fruit crop to some extent, for Mon-
day there was a little sleet and snow,
followed by a great deal of rain.

Miss Sue Eddins is visiting her
uncle, N. B. Dicken, in Nashville
this week.

Mr. Wm. Dollins died at his home
at Laytonsville Tuesday from cancer
of the face, of which he has been a
sufferer for some time. He was
about sixty-five years of age, and is
survived by several children and his
widow. The remains were interred
Wednesday at the home burying
ground.

There are some strawberries on
the market here at one dollar and
twenty cents per gallon. We have
not tasted any as yet, and not likely
to at that price.

The roads are in about as bad con-
dition as they were at any time last
winter. Wagons have stalled on
some of the roads.

Road Supervisor Coleman, of
Christian county, was here one day
last week looking over the conditions
of the Kirkmansville road, which he
found very bad, and made a promise
to have same piked just as soon as
he could do so.

The Modern Woodmen of America
gave an entertainment at the school
house Friday night, at which time a
talk was made by a Mr. Tate, in the
interest of the order, which is in a
flourishing condition here, having
something like thirty members.

Rev. Bullock preached his last ser-
mon at the Presbyterian church last
Sunday to good crowds. He is well
beloved here and all regret to see
him go, but bid him God's speed in
his Texas home, where he will move
next week. Rev. Brewster will suc-
ceed him in the work here.

Mrs. Scott Hancock is visiting re-
latives in Hopkinsville this week.

Quite a crowd from this section
spent Monday at Pilot Rock enjoy-
ing the scenery and had weather,
which is predominating here.

Miss Clara Fallon, of near Hop-
kinsville, is visiting Mrs. Pearl
Fulcher, this week.

A great deal of tobacco has been
hailed through here to Hopkinsville
and from appearances it seems that
all is not yet.

A great many of this section at-
tended the show at Hopkinsville
Thursday—at least they went to
town, if not the show.

Misses Fay and Hazel Petrie spent
Thursday in Hopkinsville with re-
latives.

Brookville, Ohio.—"I was irregular
and extremely nervous. A neighbor
recommended Lydia E. Pinkham's
Vegetable Compound to me and I have
become regular and my nerves are
much better."—Mrs. R. KINNON,
Brookville, Ohio.

Lydia E. Pinkham's Vegetable Com-
pound, made from native roots and
herbs, contains no narcotic or harm-
ful drugs, and to-day holds the record
for the largest number of actual cures
of female diseases we know of, and
thousands of voluntary testimonials
are on file in the Pinkham laboratory
at Lynn, Mass., from women who have
been cured from almost every form of
female complaints, inflammation, ul-
ceration, displacements, fibroid tumors,
irregularities, periodic pains, backache,
indigestion and nervous prostration.
Every suffering woman owes it to her-
self to give Lydia E. Pinkham's Vege-
table Compound a trial.

If you want special advice write
Mrs. Pinkham, Lynn, Mass., for it.
It is free and always helpful.
